3 A draft order is invited for approval

(64) 9/9/15 4 I think it is very desirable that biennial town reports should be as complete and 11/9 biennial as possible. The Comptroller says that the statistics required can be furnished after the books are closed on 15th Septr. If the reports cannot be compiled before the 30th Septr, I think the date may be of submitting reports changed to a fortnight later say 15th Oct. Perhaps we may write & see what action the Duke will take. H.S. 14/9-5 Ker secy)

5 There are two points for consideration

(a) Can we afford to change the date of submission of report to 15th Oct?

(b) Will the mean figures do for the annual report & if so, when are final figures to be incorporated?

figures can be given - this has been already furnished for the current report.

(2) Administration Report — The Statistical Report is due to come on 15th inst. & the L.F. & Municipal Sections are due in the Admn Report Section by 5th inst. & to be submitted to the Secretary by the 15th inst. So that for this Section also only the preliminary figures can be given & all that can be done is to submit accurate figures if possible when the report is in the proof stage.

Reference is solicited to the Annual Administration Report Calendar regarding the above dates. —

It may not be expedient to suggest the postponement of date & under the circumstances the Dy Commr may be asked to send in preliminary figures in advance from the Compositors & supplement them by Memorials if received in time —

The draft put up may be approved.
